PROJECTS

ART CONNECT : Digital Art Gallery

- Designed and developed an online platform for artists to showcase digital artwork and collaborate on projects.
- Built a user-friendly interface using HTML, CSS, and JavaScript, ensuring a responsive design across devices. Integrated features like artwork uploads, commenting, and a search functionality to enhance user engagement and implemented user-friendly front-end features for showcasing artwork and enabling collaboration.

INTERNSHIPS

IIDT-Tirupati

- At IIDT(International Institute of Digital Technologies) Tirupati, as an intern, I actively participated in team meetings, code reviews, and discussions to improve and follow Agile methodologies.
- Gained good knowledge on software development life cycle, and collaborated effectively in team environment.
